ARMTAG Pty Ltd
- BSB—012-964
- Account Number—
4860 30305
- ABN—16 676 436 146

Account details

I have included with this newsletter an account update sheet. Please complete it and return it to the shop via fax, email or in person and I will ensure your account details are up to date on our computer.

**Email Trial A Success**

Finally we have moved into the full implementation of bills via email.

Thank you to those customers that participated in the trial. All of these accounts will only be sent via email.

Anyone wishing to be added to our 'Email Only' list then just contact me and you will be included from the August accounts.

Henderson's On Board

Don't forget that we have a completely new range of greeting cards supplied by Henderson Greetings. We have a loyalty program with our cards, bags and wrap. Buy 6 and get the 7th free. You have a 12 month period to claim your free card. Ask our staff for more details.

Answering Machine

I have installed an answering machine so that any phone enquiries can be dealt with even if our staff are busy with customers in the shop. Please leave a brief message and a

contact phone number and we will get back to you as soon as we get a chance.

If you are ringing to leave details of a delivery stop or start, leave your address and the details and we will make the adjustment.

CD's

We are now stocking a range of CD's to suit all tastes at only \$10. These are great gift ideas or spoil yourself—great for the car.

Price rises

Unfortunately with the current cost of fuel a number of papers have increased in price. Some of you may notice your account is slightly more. If you wish to clarify why please contact us.
