Macka's Mumblings

In this issue:

- Easter Colouring Competition
- New Access POS
- Featured Product - Sheaffer Pens
- Shop Makeover
- Lotteries update
- This months NDC Titles

Featured Product - Sheaffer Pens

We currently have an excellent range of quality Sheaffer pens and significantly reduced prices. Pens normally retailing for \$54.95 are now \$39.95 and the \$39.95 pens are on sale for a ridiculous \$19.95.

As this months featured product, bring in your newsletter and receive a further **\$2.00** off each pen.

Easter Colouring Competition

Congratulations to Daniel Vido from St Edmund's College (Primary) and Rori Pryor from St Bede's Red Hill (Infants) on winning our Easter Colouring Competition.

Judges Bridie and Rianna had a very difficult time in selecting the

winners from all the wonderful entries received.

A big thank you to all the kids who entered and the schools that supported this competition. Their pictures certainly gave the shop an Easter feel during the holiday period.

From June 1 all paper deliveries and Accounts will be processed through our new point of sale system. 'What a relief I hear you say.' How will this impact on you?

- You account will look different;
- We will need some tolerance if there are some small issues with deliveries – I have printed the run from both computers for the run on both systems for the last week so the data is correct but the new

look run sheet will take a bit of time for the drivers to get used to;

- All accounts will be generated on the 1st of each month for the previous month;
- No one will receive 2 types of accounts anymore, magazines, papers and shop stock will all be charged through the one system.
- Due to a combination of legislation and a new delivery charge structure the weekly amount of a lot of accounts will change. However, the good news is that in most cases there will be a slight **decrease** (most unusual in these times).

If there are any issues during this transition period then please do not hesitate to contact me.

The shop is continuing to evolve. A few weeks ago we spent a very long night laying the carpet in the shop. This was a terrible job but one that has made a big difference. I think it will pay for itself in reduced electricity charges in just a few years. We have hardly had to turn on the heater so far this year!! Our new Newspower signage, Henderson signage and Quill Cardboard stands have all contributed to freshening up the whole shop. We really appreciate all the positive comments we have received from customers.

- \$2 Jackpot Lottery is around **\$6 million**
- \$5 Jackpot Lottery is over \$2 million

Saturday June 20 is the next \$20 000 000 draw. Why not consider joining a syndicate and increasing your chances. These big draws often result in informal syndicates being formed at work. This can be a messy process. Drop and see me and I can give you some assistance in doing this or even organize it for you. A great way to build staff morale.

Don't forget that once you purchase a Lotto ticket you are eligible to play Lotto Strike any day that week. Don't know how? Just ask.

Important Notice

I have been saying this for a while now but we are definitely getting very close to a full change over to the new POS. It will be vital when this occurs that any customers that subscribe directly to Fairfax Media for their Sydney Morning Herald or Financial Times or to Nationwide News for their Australian or Telegraph that they notify them as well as us when they are going away and want deliveries stopped. This will ensure that both our records are accurate for when subscriptions expire.
